Seasonal Cleaning Add-On Checklist

Many families schedule the below add-on cleaning services during the Spring & Fall Months

- Wet Solution Cleaning of inside of Kitchen Appliances (Refrigerator and/or Oven)
- Wet Solution Cleaning of inside of Kitchen cabinets, Dining Room Hutches, Bathroom vanities
- Wet Solution Cleaning of open/exposed shelves
- Inside / Outside Glass and Window track cleaning (Tilt-in Double Hung Windows Only)
- Wet Solution Cleaning of exposed baseboards, heat registers, doorway threshold surfaces
- Wet Solution Cleaning of reachable light fixtures, including bulbs
- Vacuuming curtains and areas around them
- Cleaning inside closets (suggested when clothes are changed from season to season)
- Holloway House "Quick Shine" hardwood application (brings back natural luster/shine)

If your family has interest in the above services, please call our Kingston NH office.

For regular customers, depending on your selected cleaning selections, we may be able to schedule them during a regular cleaning visit.

In some situations, it may be better to schedule a separate visit when the estimated cleaning time is 2 hours or more. (Example: One hour with a two person team)
